

WOODLANDS WARRIORS BASKETBALL CLUB HOODY ORDER INFORMATION

We now have a new Hoody design which is more inline with the club's playing uniforms and coach polo shirts. Basketball Outlet have now updated their website to include an ordering page for our club members. All members can now order their own Hoodies directly online.

When you click to purchase you will see a sizing chart and an option to chose the size. There is a field to input the name to appear on the back. This says maximum of 8 characters, but requests can be made for longer names. This will reduce the size of the font. Please discuss requests by first contacting Basketball Outlet prior to submitting your order
