

# NEW UNIFORM COMPANY FOR 2017

## [www.teamclothing.co/woodlands.html](http://www.teamclothing.co/woodlands.html)

With the massive expansion of our club every season we have decided to set up an online shop through a new company. Our uniform design will be exactly the same but we can now add some merchandise products that members can also order. A new and exciting expansion to the club that we can build in the future! This will eliminate so much of the work involved with our current set up from initial ordering, selecting available uniform numbers and the handling of payments. All ordering and payments will be made through their website. So the club will no longer have to receive your payments on your orders All orders are delivered to the club so they will still need to be organised to be collected at the moment. Below is some step by step information on how the new ordering system will work. If you still have any questions please contact the club: [uniforms@warriorsbasketball.com.au](mailto:uniforms@warriorsbasketball.com.au)

### UNIFORM NUMBER SELECTION

Year of birth appears as all uniform numbers are now organised in year of birth to avoid clashes in that age group. Once it is ordered it will be removed so it cannot be ordered by another player. If you are part of a team with players born over multiple years, please first confirm with the team manager that it will not clash with any other team members. Players born 2010 and younger will only be given the option to choose the reversible uniforms, yellow for boys and pink for girls.

### NEW TEAMS

This is set up for a brand new team so the Team Manager can input all the listed players details. (Up to 14 players).

This will streamline the whole ordering process between placing orders with the club, collecting payments and making sure all orders have been paid. Individual parents who are listed in a new team order will be followed up to make sure all uniforms are ordered in time.

### TEAM YEAR OF BIRTH

(if you have a player in a different age group first check with the club that is won't be a clash number.

#### 1. Team Manger to enter their details

The club will also be notified if a new team has submitted an team order)

#### 2. Enter all the Player details

Then follow instructions through to final step.

All individual players will be notified to confirm their orders. If there are any outstanding orders when it needs to be sent, the club and Team Manger will be notified to follow up.

As this is new to the club there may be a few issues or questions to begin with. So hopefully it is a big step forward for the club. You can either contact the club if you have any questions: [uniforms@warriorsbasketball.com.au](mailto:uniforms@warriorsbasketball.com.au) Or the company directly if you have questions regarding their side of the ordering process.
