

WOODLANDS WARRIORS BASKETBALL CLUB

GRAND FINAL ROUND - 01/04/17

EDITION 11 - 4TH APRIL 2017

WHAT A FABULOUS DAY WAS HELD THIS YEAR'S GRAND FINALS!

I am sure everyone would agree that year's set up for Grand Final day was an enormous success. The addition of the tents for presentation, and not to forget the great array of food vans was such a fantastic idea!

And FDBA have certainly made a huge step forward to ensuring the stadium foyer area wasn't a crazy over-crowded mess as it has been in previous years. And the addition of extra seating between certain courts as well was another great addition. So in saying this, this is why need to put all our support behind the association with the recent controversy that is happening with the go ahead of the stadium upgrade.

So hopefully as many of you can through your support behind them and join in their march on Monday. FDBA are intending to send a message to council by way of a peaceful demonstration on April 10th at 11am with a march to council offices. The march is designed to demonstrate to council the support basketball has in our community which they are currently under-valuing BIG TIME.

Their intention is to rally as many of our basketball community as possible, to band together, in an attempt to get Frankston City Council, to sit up and take notice of how their actions are affecting our basketball constituents and future legacy their short sightedness will have.

Their goal is 1000 people, and your support will be greatly appreciated. It would be great to see those who are attending from the club to be wearing their uniforms. And maybe our members can gather together in one area as they arrive. With our club being the largest with the association we need to show our support!

If you can RSVP with numbers to Chris Beattie at: march@frankstonbasketball.asn.au by 2pm Friday

GRAND FINAL RESULTS FOR OUR WARRIORS

What a fabulous day of finals it was this year. I spent most of the day going from court to court to watch as many of our teams competing as I could. Wow! There were some amazing games and some real nail-biting results. Many that came down to the last few seconds of the game! And as always there was a huge amount of supporters cheering on all of our teams.

There are a few pages with our teams results with quite alot of photos of our teams who competed.
