## SEMI FINAL ROUND - 25/03/17

EDITION 10 - 27TH MARCH 2017

### INFORMATION FOR GRAND FINAL DAY

Grand Final round fixtures for this Saturday are now available online at the FDDB website. Again, the majority of the U8 matches are later in the afternoon at EMC. Completely different from the times that they matches are all season. But grand final day fixtures are always completely different to any other round.

- Games scheduled are:
- U8 Finals Participation Matches – all teams based on ladder position (1st v 2nd, 3rd v 4th, etc)
  - Championship Final – teams that won “Top 4” semi-final match
  - Bronze Medal Match – teams that lost “Top 4” semi-final match
  - Reserve Final – teams that won reserve (5th – 8th) semi-final match

Presentations will be held after all games – all players will receive trophies / medallions.

**\$2 Door Entry is applicable for all spectators on the day** - Spectators 5yrs and under are FREE

**1 x coach & 1 x team manager per team are FREE** – a sign in sheet must be completed upon entry

Door entry covers additional costs associated with running Grand Final round (including trophies, score bench official and additional staff) Again Woodlands Warriors will certainly be well represented across all age groups. There is a page with all the Semi Final Results and fixtures for the Grand Final matches

Boys teams we have playing in: 8 Championship Finals, 4 Bronze Finals and 2 Reserve Finals

Girls teams we have playing in: 3 Championship Finals, 5 Bronze Finals and 1 Reserve Final.

Special mention to a few teams, U14 Boys Storm team, who finished 4th and beat the undefeated top team to make the Championship Final. And a new U10 Boys team this season, the Pistons, who were regraded in the last phase into a higher division, snuck into 4th place in the last round and then beat the top team to also make the Championship Final. What a fantastic effort from so many of our teams on a successful season.

Please email through any photos of your teams with their trophies or medals on the day so they can be included in the grand final results page next week. Or tag me (Nicole Morrison) on any fb posts if I can use your photos.

### SAVE OUR STADIUM - SIGN THE PETITION

As many of our existing members know, the competition growth over previous years means this is extremely important to the growth of the local domestic basketball competition. Our club alone has expanded so quickly over the past years that we now exceed 55+ teams. As the largest junior club participating within FDDB with close to 400 members, we need all of our members to show their support towards this, so domestic basketball can continue to grow. So please make sure you show your support and sign the petition!! I have included the recent information sent to the club.

**FDDB COMMENT** - As you are aware, FDDB is enduring unjustifiable pressure from Frankston City Council to sign a financially unsustainable lease that jeopardizes the future of our association and the stadium redevelopment project. For an update on the current status please visit the Facility Expansion Press Release page. FDDB will take all accessible measures to ensure a fair outcome is reached that serves the needs of our membership and safeguards the future of our facility. One venture towards this goal is the 'Save Our Stadium' campaign – we would appreciate our domestic club delegates rallying around this endeavour. To assist we would encourage all clubs to post the message below to all members, on your website, social media channels, affiliated schools and any other outlets of communication.

#### TO THE MAYOR OF FRANKSTON CITY

The Frankston & District Basketball Association (FDDB) is the largest sporting association on the Mornington Peninsula with over 14,000 participants per annum. The FDDB provides programs that are inclusive and allow people of all ages & abilities to enjoy the sport of basketball based on their skill level and age. In 2016 the FDDB had two of its representatives (David Andersen & Ryan Broekhoff) represent Australia at the Rio Olympics and regularly hosts national and international level games each year.

In early 2012 the FDDB commenced a process for the redevelopment of the Frankston basketball stadium (90 Bardia Avenue, SEAFORD VIC). A facility which interacts with over 750,000 people per annum including half the people in the Frankston municipality who play sport. Due to its density of usage, the Frankston basketball stadium requires immediate refurbishment and expansion so the FDDB can adequately manage the future growth trends of basketball participation in the Frankston municipality.

The last expansion of the Frankston basketball stadium was in 1991 when 4 additional courts were extended onto the original 2-court stadium. The FDDB membership funded (\$1.65 million) this expansion without any outside financial support. In 2014 the FDDB secured \$2.5 million from the state government of Victoria to kick start the planned expansion of the stadium. At that time the FDDB committed \$1 million of member's money; along with Frankston City committing \$4 million. In late 2015 the federal government of Australia announced it would contribute \$4.95 million along with an additional \$250,000 announced in late 2016 that was specifically for the purchase of retractable seating which is currently outside council's scope of works for the planned expansion of the stadium.

Fast forward to 2017, and in the shadows of the much needed expansion of Frankston basketball stadium scheduled to start including with a contracted builder on site, Frankston City has recently issued an ultimatum to the FDDB to sign future lease terms which the FDDB has rejected due to its unsustainable nature.

These lease terms will see the annual rent figure of Frankston basketball stadium increase by 250% per annum by way of a 6% income tax on FDDB income. Frankston City have not indicated a path forward for much needed items, including retractable seating to be installed in the expanded facility, along with setting a lease period of 5 x 5 years - allowing council to review rent figures at the conclusion of every 5 years and increase the rent if they want to. The FDDB have provided FCC with preferred lease terms and await FCC advice regarding acceptance of these terms.

This petition of the members & participants of the Frankston & District Basketball Association (FDDB) calls on Frankston City Council (FCC) to adopt the FDDB's preferred future lease terms of the expanded Frankston basketball stadium which include the removal of the 6% FCC tax on FDDB income; provide appropriate permits for the future installation of retractable seating & High Performance Centre; increase term of lease to 20 years with option for a further 20 years; and provide industry standard (preferred) equipment.

**To follow the progress and keep up to date visit the FDDB Press Release page:**  
<http://www.frankstonbasketball.asn.au/index.php?id=559>

**THE PETITION CAN BE SIGNED AT FRANKSTON STADIUM, DURING COMPETITION HOURS FROM MONDAY 27TH MARCH TO SUNDAY 2ND APRIL.**

### PLAYERS STILL REQUIRED FOR CERTAIN AGE GROUPS

We still have a few age groups that could do with a few more players to top up some teams. We will still accept enquiries until the teams have enough players.

**BOYS** - Prep, 2008, 2004

**GIRLS** - 2009, 2006

Please email the club:
